

# TICA TALK

*News From the Toronto Island Community Association Executive*

## *Committee Updates*

### **PUBLIC AND MEDIA RELATIONS COMMITTEE**

**Gaye Jackson (Chair), Debra Montgomery**

This committee is creating a brochure for visitors that would contain some Island history and facts about the community and parkland. The committee also wants to create a storyboard with historical images of the Island to be placed in a public space and is planning to put together and update information packages regarding history and

facts that could be distributed to the press and politicians.

### **STEWARDSHIP COMMITTEE**

**Your name could be here!**

This purpose of this committee is to enhance public areas on the Island such as the ferry docks, the shoreline, and others. We are looking for someone to head the committee. If you are interested or have ideas, please contact a TICA Co-Chair (Ellen Allen or Adam Zhelka).

## *Toronto Islands Residential Community Trust Matters*

**Marilyn Nazar, Trust Administrator**

### **RECTORY RENOVATIONS**

Many of you know that the Café has been undergoing renovations for the past few weeks. During that time the Trust is also having the staircase to the second floor expanded so they will not be as steep to climb and the steps will be a bit wider. This will mean easier access to the boardroom, offices, and photocopier for many people. The stairs should be completed by the end of February. The rest of the Rectory renovations will go into the first week of March or so. Please check the Rectory Café's website for more details as to when they will be open again. And thanks everyone for their patience around this.

### **PURCHASERS' LIST RENEWAL**

I mentioned in the previous newsletter that these are due

by March 31. The renewal notifications will go out by the end of February. They've been a bit delayed due to the renovations on the stairs.

### **2005/06 LEVY AND PHOTOCOPY PAYMENTS**

As our year-end is coming up, it would be great if people could remember to remit any monies owing to the Trust. To find out if you are still owing money, please contact me at 416-203-6163.

### **COMMUNITY MEETING**

Mark Sunday, April 30, 2006 in your calendars. I know you will want to attend the Community Meeting from 3:00 to 5:00 pm that day. Watch for more information about it in upcoming bulletins.

### **BREAK-INS**

You have probably heard that several Island buildings have been broken into recently. The incidents are being investigated and are being taken very seriously.

### **YARD WASTE**

Please do not dump yard waste in public areas. And stay tuned for details of the upcoming community spring clean up.
